

Start on **3**. Go on **2** more.

5

$$3 + 2 = 5$$

Write each sum.

Start on **6**. Go on **1** more.

7

$$6 + 1 = 7$$

Start on **3**. Go on **2** more.

$$\square + \square = \square$$

Start on **3**. Go on **3** more.

$$\square + \square = \square$$

Start on **4**. Go on **1** more.

$$\square + \square = \square$$

Start on **5**. Go on **3** more.

$$\square + \square = \square$$

Start on **2**. Go on **2** more.

$$\square + \square = \square$$

Start on **6**. Go on **4** more.

$$\square + \square = \square$$

Start on **3**. Go on **6** more.

$$\square + \square = \square$$
