

Start on **3**. Go on **3** more.

6

$$3 + 3 = 6$$

Write the sum.

Start on **4**. Go on **1** more.

5

$$4 + 1 = 5$$

Start on **7**. Go on **2** more.

$$\square + \square = \square$$

Start on **8**. Go on **2** more.

$$\square + \square = \square$$

Start on **3**. Go on **4** more.

$$\square + \square = \square$$

Start on **2**. Go on **7** more.

$$\square + \square = \square$$

Start on **4**. Go on **4** more.

$$\square + \square = \square$$

Start on **7**. Go on **3** more.

$$\square + \square = \square$$

Start on **1**. Go on **3** more.

$$\square + \square = \square$$
