Handwriting

In your handwriting copies, we will revise the letters we practised in week 2. The letters we practised were

v, x, y, z, b, k, p

Using these letters, make 5 words and write each word twice in your handwriting copy. (an example would be 'pay'). If you need to use some extra vowels, you can (a,e,i,o,u)

Irish

Today, we will be reading a short story in Irish together. You can read along with the Irish story on the link below. After you have read the story, you can complete the 4 questions in your Irish copy.

Poetry:

Today, we will read a lovely poem about 'The Crayon Box that Talked'. If your crayons/twistables could talk, what would they say? What compliments would they give your colouring? Would they give out about anything? Make a short list!

On July 20th 1969, Apollo 11 was the first spaceship to land on the moon. Neil Armstrong, Buzz Aldrin and Michael Collins were the first humans to visit the moon. Read the short fact file of the mission below and have a look at the video from NASA's website of the first moon walk.

FACT BOX: Apollo 11 Moon landing

- Apollo 11's crew launched on July 16, 1969, from Cape Canaveral, Florida.
- President Richard Nixon awarded Neil Armstrong, Michael Collins and Buzz Aldrin the Presidential Medal of Freedom upon return.
- Commander Armstrong and Lunar Module pilot Aldrin spent more than 21 hours on the Moon's surface.
- The three astronauts were put into quarantine after their return to Earth for 21 days.
- Apollo 11 returned to Earth on July 24, 1969, when the mission's Command Module landed in the Pacific Ocean.
- Neil Armstrong and Buzz Aldrin walked on the Moon while Michael Collins remained in lunar orbit.

PE

See can you try the Bucketball challenge below. Measure your longest throw with your feet and see how far away the bucket is from the start point. Best of luck!

Bucketball!

Using some balled up socks and a bucket, you can enjoy a game that's like basketball, but you can play it in your very own home. We call it "bucketball"! The game works best with 2 or more players.

- 01** Set up your 'basketball arena' in an area free from delicate objects.
- 02** Roll up the socks into little balls and tie them so they don't unroll.
- 03** Place the bucket in one place and put a marker on the floor for where each player has to stand and toss the sock.
- 04** Take turns to throw the sock balls into the bucket. Each player gets one point if they get the sock into the bucket. 0 points if they miss.
- 05** Move further away from the bucket after each turn.
- 06** You can create a scoreboard if you want, to keep track of who's winning.
- 07** To make the game more difficult, replace the bucket with an object with a narrower opening, like a small box or an empty paint tin.
