

Happy Wednesday!
Make this the best day
of the week.

Maths:

Tables Sheet: -3 Day 3 and learn the next four tables.

Here's a number game you could play today. Click on count on and back to 20 or to 30 if you really want a challenge!

Helicopter Rescue ▶ Play Game

Helicopter Rescue is a mental maths game with different sized number charts and it is designed to help you to identify and work with numbers up to 100. The game is tablet-friendly and it works well on an interactive whiteboard.

The game modes include 'Find a Number' and 'Count On & Back'. In the first, you are asked to find a number on the grid, either directly or in between two voiced numbers. The count on and count back games are designed to help you learn some of the vocabulary of addition and subtraction; count on, count back, more than and less than.

A screenshot of a game interface with a yellow and black striped border. At the top left, a green timer shows '0:40', followed by 'Score: 10'. To the right are pause and refresh icons. The question 'What time is it?' is displayed in a light blue box. On the right, a large analog clock shows the time 3:45. Below the question are four yellow buttons with options: 'A quarter to three', 'B half past four', 'C quarter past four', and 'D quarter to four'. At the bottom left is a gear icon, and at the bottom center is a grey 'Submit' button.

Starlight Workbook

New Story-Amazing Grace pg 10

Capital letter at the start of the sentence. People and places need one too! (Remember your proper nouns)

Full stop at the end.

Use the wording (if you can) that's in the question.

Spellings-It's important to check your spellings. You can use the story to double check words you're unsure of.

Writing-Keep your writing on the line and as neat as you can.

Full sentences (be careful not to use because at the start of a sentence as it is a joining word)

Also, it's very important to keep an eye on your pencil grip too.

Hold pencil with a light grip.

1. Thumb holds pencil.
2. First finger rests on top of the pencil.
3. Pencil rests against third finger.

New Wave English: Next day of activities (I will post the correction video on Thursday for this week)

Handwriting: pg 23 Take the second line of words today and copy them below twice. If you need to, use our stretch poems between each line.

** I stretch my hands, I squeeze my hands

** five little peas in a peapod pressed

** Open, shut them, open, shut them, give a little clap!

Religion:

Today revise the Confiteor using the picture below and you should find a copy of a t-shirt in your religion book. It has two lines across the middle. In here you write your name in big bubble writing and colour it in so that you can see it from far away. Write the letters of your name very carefully and lightly to start off with so that you can rub out the letters if they do not fit. When you are happy with the letters go over them a bit more heavily with the pencil.

You could outline the letters of your name in black with the help of an adult so that it stands out. The rest of the t-shirt needs to be carefully coloured and decorated with any patterns or designs that you might like. These will hopefully be used to decorate the church so spend the rest of the week doing these as part of your religion.

The Confiteor

I confess to almighty God
and to you, my brothers and sisters,
that I have greatly sinned
in my thoughts and in my words,
in what I have done
and in what I have failed to do,
through my fault,
through my fault,
through my most grievous fault;
therefore I ask blessed Mary ever-Virgin,
all the Angels and Saints,
and you, my brothers and sisters,
to pray for me to the Lord our God.
