All About Valentine's Day

Valentine's Day is named after Saint Valentine. Saint Valentine was a Roman priest. Valentine's Day is celebrated on the 14th February every year.

When did Valentine's Day start?

Valentine's Day came from a Roman festival called Lupercalia.

At this festival, boys pulled girls' names from a box and they would be boyfriend and girlfriend for the festival.

The Christian Church decided to have a festival celebrating love, to remember Saint Valentine.

What do people do on Valentine's Day?

- People show their loved ones that they care, by taking them out for a treat.
- They sometimes send a gift.
- They sometimes send a card.

Symbols of Valentine's Day

A symbol is something that makes people think of something else. These things are all symbols of Valentine's Day.

hearts

red roses

Cupid

dove

Did you know?

The stories say that when Cupid shoots people with his magic arrows, he can make them fall in love.

Valentine's Poetry

Well done on your beautiful boxes of chocolates you designed yesterday. Here's a funny poem by Kenn Nesbitt about chocolates! See can you read this poem aloud today at home.

Why not try an acrostic Valentine's? You could make a card out of it and give it to someone special.
